BLANKS.

Superintendent's Office U. S. Mint,
PHILADELPHIA, PA., Sept. 26, 1887.

Sealed proposals endorsed "Proposals for Five-Cent Blanks" will be received by the undersigned, subject to the approval of the Director, until the —— day of ——, 1887, at 12 o'clock noon, to supply this mint with 50,000 pounds, more or less, of unmilled five-cent copper-nickel blanks, composed of three-fourths copper and one-fourth nickel. The blanks to be possessed of suitable physical properties as to softness, and to be within the legal tolerance of weight and the stated fineness and proportion of the metals to be determined on the mint assay.

All blanks not suitable for coinage to be rejected.

Sample blanks can be had on application to the undersigned.

DANIEL M. FOX,
Superintendent.
